

Cadastral Surveyors Licensing Board
of New Zealand

15 July 2026

New Examinations Coordinator – Anne Napper

The Cadastral Surveyors Licensing Board is pleased to announce the appointment of Anne Napper as the new Examinations Coordinator for the Competency Assessment Framework, replacing Kirsten Flett.

She has spent the last 7 years working as a designer and content editor for Education Perfect, a leading learning, assessment and analytics platform. This included creating efficient processes, coordinating multiple workflows, maintaining quality standards, communicating with internal and external stakeholders, and supporting continuous improvement initiatives.

Originally qualified as a teacher, Anne has applied her skills across a broad range of subject areas, developing in-depth knowledge of assessment and examination systems. The Board is confident that this expertise, together with the added bonus of her surveying family background, will support the ongoing administration and enhancement of the Competency Assessment Framework.

Anne can be contacted by email examinations.coordinator@cslb.org.nz with any queries regarding the competency assessment process for graduates seeking an initial licence.

Neale Faulkner

Chair - Cadastral Surveyors Licensing Board of NZ
